·Good Appearance:No Visible Screws,Flat Panel for wall as good appearance
·Elderly Friendly:optimal working height
·Simple Installation: Easy Assembly with aluminum frame and Stainless Screws

option of using the cold frame attachment

PremiunLine Garden Bed is particularly worthwhile when growing vegetables. Not only can you start growing earlier, you also have a longer harvest time.The sturdy sheet steel construction not only looks good, it is also weatherproof and durable. Apart from the look, the raised bed protects the back and knee joints due to the height of the bed. So you can garden on a pleasant elevation.
